As concrete is the logical building material of the near future, there can be no doubt as to the complete success of the new undertaking.

WAS FINED AGAIN

Martha Clay Again a Victim of the Police Court

Yesterday afternoon in the trial of Martha Clay, colored, the fact was brought out in the testimony that the woman is and has been conducting an assignation house.

One witness told of an incident occurring only last week in which a man of high standing, belonging in the county, was the central figure and dupe.

His mission to the city was for the purpose of paying a note in a Bank.

Unfortunately for him, before doing so he imbibed several drinks, and in his meanderings fell into the clutches of Hattie Case, who conducted him to the Clay woman's home, where he was robbed of \$87.

Rather than incurring the notoriety and disgrace that would follow the arrest and expose his paramour, he thought discretion the best part in the premises and concluded to say nothing of his loss and adventure to the Police, but rather let the matter drop.

It was only at the last term of Circuit Court that the Clay woman was indicted and fined \$200, which she paid.

Yesterday she was fined and costed \$23.90, and John Tolle was assessed \$10 for visiting the place.

Hattie Case, the inmate who is said to have robbed the countryman, has fled to Ohio.

It being necessary to fill the unreliable big city papers with something, and as their very existence depends on "sensations," they are already saying that the peace conference hasn't concluded peace after all.

Russia will pay \$75,000,000 to China for the Chinese Eastern Railway, which China will pay to Japan. Well, that'll help some; and it's a ten-to-one shot that Russia would never have paid a kopek but for the sound thumping that Japan gave her.

It has been predicted that the Hebrews will eventually be the dominant race of the world, and the theory is borne out by advance figures on the birth-rate in Manhattan. DR. LANDMAN,
CENTRAL HOTEL,
THURSDAY, SEPT. 7, 1906.

THE lawyers have discovered that Labor Day is just the same as Sunday, and you may now expect to be sued if you work next Monday.

THEY call it "Labor Day" because no labor is allowed. It will come as a boon to every one save members of Esplanade Temple No. 4-11-44, Sons of Rest. With them every day is Labor Day.

THE LEDGER tenders its sincerest sympathy to its esteemed contemporaries, Editor HIRAM DULEY of The Times-Democrat, and Editor WILLIAM WILT of The Fleming Gazette, in the losses sustained by the burning of their offices yesterday morning at Flemingsburg. May they rise from the ashes, brighter and better than ever, and live long to enjoy renewed prosperity.

It is said that the sum that will have to be paid to Japan for the maintenance of the Russian prisoners in Japan will not exceed 100,000,000 rubles—\$50,000,000. That's dead easy. Now, if any one wants to help buy an artificial limb for an unfortunate lad, who didn't lose his leg jumping on moving trains or smoking cigarettes, just let them look over the list in another column and send their name and money to THE LEDGER.

At an early hour yesterday morning fire destroyed a large part of the business district of our neighbor-town of Flemingsburg, entailing a loss of some \$60,000, with only about half that amount insured. To some, the blow will be quite serious; to others, comparatively light. But to all, THE LEDGER extends hearty sympathy. And while the fruits of long and patient toil have been reduced to cheerless ruin, the sufferers are not dismayed. With a heroism worthy the blessed people of that dear old town, the work of restoration will begin at once, and in place of wrecked walls and smoldering ashes will arise buildings more beautiful than the old, and their owners will take up anew the onward march.

Good spices are desirable at any time; they are necessary now, for the results of your care and labor during the canning and pickling season may depend upon them. We buy spices as carefully as the most delicate drugs, and we have results to show for our caution.

LABOR DAY FIREWORKS IN MAYSVILLE.

As a grand finale to the summer season, a magnificent display of fireworks will be put on at a beautiful Beechwood next Monday night, September 4th. The program will be an entire change from that of the Fourth of July, and the set pieces will present unique features that have never before been seen in Maysville. A photograph of our Mayor, W. E. Stallcup, has been forwarded to the manufacturer and will be reproduced in fireworks as one of the set pieces. The price charged by the manufacturer for the entire exhibition is \$175. That of July 4th was \$150. It is customary to advertise this display as a \$300 lot of fireworks, but the management of Beechwood prefer to let their patrons know the exact cost.

The BEST Bread!

Can only be made out of the Best Flour. No meal is fit to sit down to without it. I am prepared to furnish my trade the season through the very best flour that can be manufactured. It is PERFECT. I have sold it continuously for sixteen years and have never made a change. My competitors are changing every year, which is proof that they are not satisfied with the flour they sell. The manufacturer of this flour writes me under date of August 3d as follows: "If you were pleased with Perfection last year, you will be more than satisfied with it now. We thought we had good wheat last season, but our wheat this season is the finest we have had for years." For a limited time I am going to sell this FINE FLOUR at the extremely low price of

\$5.00 Per Barrel Spot Cash.

At this price you should buy a supply for the season. In fine Hams and Breakfast Bacon I have no competition. The large and increasing demand for my famous RED CANVAS HAMS and BREAKFAST BACON is proof of the superior quality of the meats. Buy only the STAR BRAND in RED Canvas cured from selected young fat hogs specially for my trade. My PURE LEAF LARD is rendered from the same class of hogs and nothing better can be made.

For summer lunches I have a full supply of everything in that line. I sell the famous "Beech Nut" Bacon and Dried Beef in glass. It is fine. Sardines, Cove Oysters, Deviled Ham, Deviled Tongue, Pickles, in fact, every article necessary for a most tempting summer lunch.

TEACHERS' INSTITUTE

Yesterday's Sessions at the Court-house Well Attended—Day's Doings

The Rev. C. W. Chadwick conducted the devotional exercises at the Institute yesterday morning.

The work began with a very interesting talk by Prof. Shipp on "Elements of Governing Power," scholarship, skill, sense, and sympathy. These in turn were given due consideration by the instructor.

Miss Dye next talked on the subject of "Criticism on Language Work," after which Prof. Shipp called attention to the uniform course of study for the Public Schools of Mason county, presenting the claims of the Educational Commission.

Hon. C. L. Sallee, who is a member of the Commission from the Ninth District, then addressed the Institute on the purposes and aims of the Commission in a short speech, which had the right ring.

All teachers and citizens were asked to contribute something to pay the expenses of the Commission, which they cheerfully and liberally did.

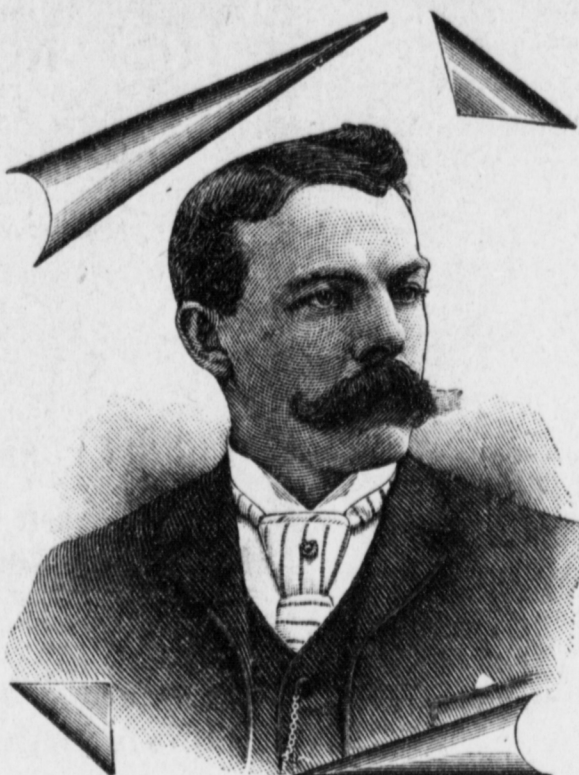

The report of the Committee on Resolutions, which indorsed the work of the instructors, Prof. Shipp and Miss Dye, the efforts of County School Superintendent Wells, the assistance of the clergy, the press and Secretary Berry, thanking the county officials for the use of the Courthouse and expressing sorrow for the death of their co-worker, Mr. Henry Metcalfe, was read and adopted. The Committee was composed of Miss Sallie Burrows, Mrs. Anna F. Ball, Miss Nancy Kennan, Messrs. W. P. King, R. J. Soursley, D. S. Clinger and Miss Eleanor P. Wallace.

Some timely remarks by Prof. Shipp were made, and the Institute of 1905 became a matter of history.

There were seventy teachers enrolled before the close of the sessions.

THE PEOPLE'S CHOICE FOR CHIEF OF POLICE.

In aspiring to the onerous and honorable position of Chief of Police of the City of Maysville I come not asking your support as an entire stranger to the exacting duties of the office. My position as a member of the force for several years has been to me a training school in which, I think, I have acquired a full knowledge of what a Chief really ought to be—an active working part of the organization. As to my ability, energy and willingness to work my past record is before you. Elect me and I promise to be Chief in every sense of the word.

Respectfully, JOHN P. WALLACE.

The Government officials are taking advantage of the low water in making necessary repairs to the various locks and dams and cleaning out the various locks along the river.

The river is falling and will continue to do so until rains have fallen. The stage of water is, however, excellent, and packets are moving on good time. Most of the towboats have gone above and will proceed as far as conditions will allow.

On account of the low stage of water below Davis Island Dam and the prospect of its going lower, the last packet for the present of the Pittsburgh and Cincinnati Packet Company passed up Thursday night, the Keystone State. The boats of the line—the Virginia, Queen City and Keystone State—will lie up until a rise comes from above. The river is at a good stage for the boats operating from the mouth of the Kanawha, even for towboats.

River News

The gage marks 8.2 and falling.

The J. B. Finley is coming with a big tow of empties for Pittsburgh.

The J. T. Hatfield, Otto Marmet and the Lucie Marmet passed down with tows from the Kanawha.

The H. M. Hoxie, from New Orleans, is en route up the river with a tow of empties for Pittsburgh.

THE LIVER QUARANTINE

"TAKING HIS MEALS OUT."

Hurried eating has ruined many a man's stomach. The digestion-destroying process is gradual, often unnoticed at first. But it is only a short time until the liver balks, the digestive organs give way, and almost countless ills assail the man who endeavors to economize time at the expense of his health.

A torpid liver causes a quarantine of the entire system. It locks in the diseased germs and body poisons and affords them full play, inviting some serious illness.

In families where August Flower is used, a sluggish liver and constipation are unknown, so are all stomach ailments, as well as indigestion, dyspepsia, heartburn, headaches and kidney and bladder affections. No well-regulated family should be without this standard remedy.

Two sizes, 25c and 75c. All druggists.

THE BARLOW MINSTRELS.

The Cincinnati Times-Star, August 28th, says—"The Great Barlow Minstrels began their fifth annual engagement at Chester Park Sunday afternoon, offering a better show than ever. Several of the old favorites have been retained and a number of first-class artists added. The Great Barlow Minstrels is acknowledged to be one of the best organizations on the road. The entire first part is excellent. The olio is composed of a number of splendid turns, beginning with one of the very best contortion acts ever seen in this city. The musical act of Cole and Coleman is better than the usual turn of that kind. Mayer and Irwin followed with a singing and dancing sketch, of which the dancing of Mr. Mayer was a taking feature. Brock and Brockway, barrel jumpers, have a good act. The Quartet was an entertaining feature of the olio. The acrobatic work of the Lamy troupe was fine. The entire performance was clean, bright and snappy."

The Barlow Minstrels are the opening attraction at the Washington, Tuesday, September 5th. Seats on sale today at Ray's.

A GREAT WEAPON

Maysville People Cannot Fail To Appreciate the Worth of It

Only one weapon
To fight backache—
The weapon that strikes the cause—
Doan's Kidney Pills reach the root;
Their work in Maysville proves it.
You read of cures made years ago,
And the cures were lasting cures.
Read the following:

Mrs. Mary Thomas, wife of J. A. Thomas, of 204 Limestone street, Maysville, Ky., says: "I am only too pleased to confirm the statement I made in the spring of 1900 recommending Doan's Kidney Pills, after they had relieved me of backache and other symptoms of kidney trouble. I got them at J. Jas. Wood & Son's Drugstore. During the years that have elapsed since I made that statement I have had occasion to give Doan's Kidney Pills a further trial, and I have found that it requires only a few doses to ward off attacks of kidney trouble or to check them before they become serious. I can also point to the case of my boy, twelve years old, who at the time I first used Doan's Kidney Pills was troubled a great deal with weakness of the kidneys and could not control the secretions properly. I gave him Doan's Kidney Pills and he improved rapidly under the treatment. The relief he found has proved lasting, and from his experience and mine I am certainly warranted in recommending Doan's Kidney Pills."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
